

Blackheath & Bromley Courier

June 2021.

President 2021-22. Nic Corry.

Editor. Pat Calnan (p.calnan@btinternet.com)

This Courier appears a little later than intended but for a good reason, there are a lot of results from a lot of different places. It's not back to normal but it's a lot better than it was. The Kents were the only County Championships in the country to take place on the weekend of the 8th and 9th of May, which is a great credit to all those who made it happen. It was just a shame about the weather. Every sprint was into a headwind including a whopping -8.3 m/s in the under 20 womens 200. So Annie Davies setting a Championship Best in the senior womens 100 hurdles was quite an achievement. Daisy Snell also set a CBP in the under 15 girls long jump and Liz Hughes not only returned to competition, she won the senior womens pole vault. Liz was second highest in the country in 2001 with 4.16. It was a shame, again, this year, that more athletes didn't enter. Is it that the format is tired and not attractive to athletes or have they just given up? In "British Athletics 2021" it calculates that there were 39,568 British Athletes competing in 2019 but only 13,454 in 2020. There is a lot of catching up to do. What it doesn't show is how many officials may have slipped out of the Sport. It is fair to say that we could never have put on the meetings we have done this year without a lot of support from officials outside our Club and we are hugely grateful to them. John Hubbard is most keen to hear from anybody who might consider taking up officiating or who can help in the running of our events. Anyway so far so good. At the open meeting at Norman Park on the 22nd of May 39 of our athletes set personal bests. At the Development League meeting the following week there were a further 21 despite operating a truncated programme. There have also been a number of Club Records. It's just like old times.

Social.

A bar service is now available at the Clubhouse, 7-9pm on a Wednesday. There won't be many more evenings there before it shuts so make the most of it.

"It is pleasing to see various active men turning up at Stamford Bridge on Wednesday evenings to train, but there are several more good youngsters who have not yet put in an appearance. Those members finding Stamford Bridge inconvenient will always be welcomed and assisted at either Crystal Palace or Herne Hill by our clubmen also training there"

"The season opened with a match against Roan School on their ground....The School was very pleased at the presence of Sydney Wooderson and the queueing instinct of the nation was emphasized by the line of boys waiting for autographs at the dressing-room door." Wooderson won the mile race but was not permitted to score.

The first Evening Meeting takes place at Private Banks Ground, Catford Bridge. "In spite of the doubtful conditions and the cold, an inexplicably large crowd appeared, and Mrs Beardon, assuming her pre war role of programme seller, had soon sold out. The size of the crowd can be attributed largely to A Dale's energetic Press campaign and the magnetic personality of Sydney Wooderson... To encourage athletics in the schools, it has been decided to include a schools invitation race in

each of our meetings...The athletic side of the meeting was brought to a close by the presentation of cups, spoons and medals by Mrs Beardon, following a speech by the President...The remainder of the evening was given to entertainment of a lighter kind, a dance in the pavilion having been organised by the entertainment secretary." Wooderson won the 2 miles race in 9.47.2. Plans are afoot for a big meeting in August.

OPEN MEETING

MOTSPUR PARK,
AUGUST 31, 1946

Prize Fund Appeal

It has been decided to REVIVE the CLUB OPEN MEETING this season at Motspur Park, on SATURDAY, AUGUST 31, and detailed arrangements are now being made. Such meetings sponsored by the Blackheath Harriers have in the past proved the high-light of the athletic season and it is intended that the one now contemplated shall be no exception,

The financial implications of this project cannot, unfortunately, be ignored. The making of a substantial profit can be described as a secondary consideration, but it is necessary to take steps to minimise, and if possible eliminate, the risk of a loss which might be caused by bad weather or other unforeseen circumstances. To this end a PRIZE and EXPENSES FUND—with a target of £200—is being opened. Were it not for the fact that it is considered that the meeting will be of the greatest assistance in furthering the best interest of the Club in this immediate post-war period there would be diffidence in making this further appeal to the generosity of members.

Apart from providing much needed first-class competition for athletes, the meeting will probably mark the last appearance on the track of our Vice-President, Sydney Wooderson, and such an occasion calls for the sparing of no effort to make it an unqualified success and the biggest gathering of Blackheath Harriers of all generations to pay tribute in person to the greatest British athlete of all time.

The Hon. Treasurer will be grateful to receive donations as soon as possible to enable your Committee to budget well in advance.

RESERVED ACCOMMODATION

As the covered stand accommodation at Motspur Park is distinctly limited it is proposed to reserve until July 25 two-thirds of the seats available (approximately 300) for members and their friends at a charge of 5/- each.

Applications, which should be accompanied by remittance, will be dealt with in strict rotation and should be sent to me at

30, The Avenue, Cheam, Surrey
as soon as possible and *not* later than July 25.

Hon. Secretary.

Dinner-Dance At Bromley Court Hotel. "The evening was very successful though conversation was a little difficult at times due to the zealous playing of the band. It was an "x" piece band, "x" being a variable which at one stage rose to such proportions that the players had difficulty in all getting on the platform together"

Kinnaird Trophy, at Chiswick. "It is a great pity that the National League, which was designed to strengthen athletics, is probably the cause of such a fine meeting as the Kinnaird falling into decline; top athletes now saving themselves for the four National League events and not bothering with the ordinary club trophy meetings"

Blackheath finish third in the first National League Division Three match at Chiswick. "A" string wins come from Graham Gower (100 – 11.1 and 110H – 14.5), Peter Hudson (LJ – 6.93), Tony Wadhams (TJ – 14.92), John Watts (SP – 16.00 and DT – 53.26) and Mike Turner (JT – 68.38). "John (Watts) nearly ended up with disqualification due to a simple rule concerning club colours. His chest size being 54 in. makes it nearly impossible for him to wear a British manufactured vest, let alone a Blackheath one and so he usually competes in a dark blue French vest"

The first Evening Meeting takes place at Ladywell. " Although it was a bright evening for the first Club meeting, the temperature dropped as the evening proceeded, unpleasant for competitors and spectators alike. However, this could not be used as an excuse for such poor support... In the handicap events the new style mugs were awarded in place of spoons and they proved to be very popular with competitors"

Three Club members enjoy victories at the Inter Counties Championships at Leicester. Graham Gower wins the 110 Hurdles, Tony Wadhams the triple jump and John Watts the discus.

*Chris Haines writes in relation to the item last month on the Blackheath disqualification at the 1971 Croydon 50x1 mile relay.

"From memory, the technical transgressions were something to do with one of our runners not being able to count to four, having completed his 'mile' in three laps. The poor misguided soul on the next leg ran five laps for his 'mile' and assumed all would be ok. A farcical situation resulting in our team only having 49 runners completing a mile in 50 x 1 mile relay. The Gazette editor at the time, Peter Baigent, clearly wished to save a few blushes in his report of the matter.

Chris Woodcock and/or Mike Mahoney might have recollections of the event...."
