### Wednesday Night Training

Wednesday Night training, eating and drinking is at Beccehamian Rugby Football Club, Corkscrew Hill, West Wickham BR4 9BB. Open from 6.30. Please communicate Food orders to [dmlawrie162@googlemail.com](mailto:dmlawrie162@googlemail.com) before 6pm on Tuesdays.

**John Turner** has produced a follow up to his book "Hurrah for the Squares Entwined" a collection of extracts from the Club Gazette form 1898 to 1948. The second volume is "The Badge We All Hold Dear" and covers the years 1948 to 1979. Signed copies cost £10 with all profits to the Club.

### London Coach Of The Year

Congratulations to Andy Frankish who has been named Coach Of The Year for the London Region. While the award recognises his achievements in the last year, Andy has been coaching since the late 1970s and has had some great successes over the years. For example, Bromley Ladies' Sue Burtonwood won the National Indoor Junior Girls 1500 metre title in 1984, over three seconds clear of (the future Dame) Kelly Holmes. Then there were English Schools 800 metre titles for Jonathan Murray, Claire Robinson and Chris Moss. Below Andy leads a youngsters training run from the clubhouse in 1980, plus a shot of him in full flow.

## **UK TECHNICAL OFFICIALS APPOINTED TO INTERNATIONAL DUTY IN 2022**

Mark Purser is one of a number of UK Officials who has been appointed for Major Championships this year. UKA's Interim Development Director Chris Moss said: "It is great to see the expertise and experience of our technical officials continually recognised worldwide. These appointments are a clear endorsement of the quality of officiating the UK produces". Well done Mark... and Chris.

**Get well Pete Barlow!** – Pete is recovering at home after suffering a mild stroke just after Christmas. He is in good spirits. He is also looking forward to Ken Daniel buying him a drink, (though this may be a symptom of his condition). He looks forward to seeing people at the Club again soon. Pete is not currently contactable on his mobile.

## **A brief and not comprehensive review of 2021**

### **January to March.**

Blackheath & Bromley are named England Athletics Club Of The Year.

Very little domestic competitions but our athletes out in the States are competing outdoors. Phil Seseamnn finishes third in the 3000 at the European Indoor Trials and is selected to represent Great Britain in Poland. He runs 7.51. 70 in the heats.

Joining him there is Mark Purser who is a starter.

Nic Corry's role of President is rolled over for a second year because of the pandemic. At the virtual AGM, four new Vice Presidents are elected, Ian Firla, John Hubbard, Alice Platt, and Holly Platt.

Dina Asher Smith wins the International Sports Press Association Column of the Year Award for her Daily Telegraph article entitled "Think racism has affected me? It's there almost every day".

Second claim member Stephanie Davis wins the British Athletics Olympic Marathon Trial at Kew Gardens and is selected for the Games in Tokyo.

### **April**

As the country begins to come out of lockdown, a bar service is available at the Clubhouse.

The Club's first track and field open meeting of the year takes place at Norman Park.

Ross Braden times 2.21.12 for the Marathon.

There are new Senior Club records from Yasmin Austridge (2000 s/chase) and Divine Oladipo (discus).

Former Club member Emily Godley wins gold at the European Weightlifting Championships in Moscow.

### **May.**

Dina Asher Smith wins the 100 metres at the Muller Grand Prix in Gateshead.

Jahisha Thomas wins the triple jump at the Loughborough International where a number of Club members are in action.

At the Kent Championships there are Championship Best Performances for Anastasia Davies in the Senior Womens 100 hurdles and Daisy Snell in the Under 15 Girls Long Jump. Daisy also breaks the Club under 15 girls pentathlon record.

The YDL and Kent Leagues are up and running, albeit in revised formats.

The Club hosts another Ted Pepper race and more open track and field meetings.

### **June**

The first ever National Athletics League match for senior men and women takes place at Norman Park. Because of the pandemic, fixtures are regionalised with only four teams competing instead of the usual eight.

At the South Of England Championships there are wins in the Senior age groups for Bailey Stickings (400 hurdles), Jahisha Thomas (long jump) and second claim member Lewis Harknett (3000 s/ch) For the Under 20s gold medals go to Mallory Cluley (100H), Nana Gyedu (SP) and Dillon Claydon (DT).

Bekah Walton wins the javelin at the AAA U23 Champonships. She then wins again in the British Championships. The Club has two other winners, Adam Gemili in the 200 and Dina Asher Smith in the 100.

### **July**

Three Club members represent Great Britain at the European Under 23 Championships in Talinn, Estonia. Bekah Walton is 5<sup>th</sup> in the javelin and Annie Davies was 8<sup>th</sup> in the 100 hurdles. Ethan Brown runs in the heats of the 4x400. Second claim member Amber Anning does not start in the 200 because of injury.

The European Under 20 Championships also takes place in Talinn and Jeriel Quainoo (4x100) and Sam Reardon (4x400) both come away with relay golds for Great Britain. Jeriel is also 5<sup>th</sup> in the 100. Mallory Cluley makes the semi finals of the 100 Hurdles while in the throws Nana Gyedu (shot) and Zara Obamakinwa (discus) do not progress beyond the Qualifying Pools. Second claim Funminiyi Olajide does not progress either in the long jump, after not registering a distance.

There are five individual gold medals for Club Members at the English Schools Championships – Holly Mpassy (SG 400), Nana Gyedu (SG SP), Amarisa Sibley (IG 800) and second claim members Jodie Self (IG 80H) and Amelia Gray (IG TJ).

The last ever social takes place at the Clubhouse.

## August

It is Olympic disappointment for Dina Asher Smith as she withdraws from the 200 after missing out on a place in the 100 metre final; and for Adam Gemili as he limps over the line in his heat of the 200. Dina is, however fit for the 4x100 relay and helps Great Britain to bronze medals. Second claim member Steph Davis finishes 39<sup>th</sup> in the Marathon.

At the British Masters Championships there are victories for Helen Godsell (W65 100 and 200), Liz Hughes (W40 PV) and Richard Holt (M45 400H).

## Results.

2021 could mark the start of some promising times ahead for multi events in the Club. Exciting talents such as Andrew Nikoro and Joshua Dako feature in the top 10s of their age groups, and the first to get some International recognition is Daisy Snell who finished 3<sup>rd</sup> in the Schools Indoor International last month. Elsewhere it has been a good month for some of our more senior members at the County and Area Masters Championships. So from Laramie to Lloyd Park, from Dartford to Delaware, from Trelissick to Tonbridge, from...

Blackheath beat Ranelagh in the rowing race at Barnes. "The Club crew outweighed Ranelagh by over two stone per man, providing considerable extra power which put us into an early lead and ensured eventual victory by five lengths."

The Club defeat Orion in the mob match at Chingford despite "our faster members missing on some kind of Hampshire Brewery outing". This presumably was the Brickwood "5", a high class race, won by Reading's Martin Duff, with Peter

At the same meeting, a young Helen Minting, of Wigmore Harriers runs 7.9 for 60 metres, fifty years on and she's still going strong.

In the Intermediate Girls 80 metre hurdle rankings for the year, joint top is Wigmore's Helen Key with a time of 11.7 while equal fourth placed is future Commonwealth 100 hurdles champion Lorna Boothe, who, in 2021 coached Mallory Cluley to the European Under 20 Championships.

"The evening of last 4<sup>th</sup> December, billed in the social calender as a Youth Night, was turned into a very enjoyable and successful evening as a result of the enterprise and initiative of a group of younger members... With 120 tickets printed and sold, it is reliably reported that at least that number spent the evening leaping up and down, the clubhouse heaved in time to the music and a handsome excess of income over expenditure was noted by the Wine Committee."

Chris Woodcock wins the £25 first prize in the 200 Club draw, there are also winners of £10, £5 and two of £2. (This would be worth £314.55 in 2021, £10 is worth £125.82, £5 = £62.91, £2 = £25.61).

(Your Courier was ahead of the game last month in remembering it was 50 years since Benny Hill's "Ernie" entered the charts and hit number one. One of the Festive University Challenges featured three questions on the song. The answers were "Trigger", "Teddington" and "Macaroons".)

#### MATTERS ARISING - December Committee Business

1 The improvements to the Ladies shower/toilet facilities had been completed on schedule. They were officially opened by Mary Peters when she visited the Clubhouse on 30<sup>th</sup> Nov as our guest to start the Orion Mob Match and attend the supper in the evening. The cost of the work had exceeded the budget largely due to structural problems from the original building, discovered once refurbishment work had started. Covering the overspend hangs on whether a grant from the London Marathon Charities Fund is received. Anyone who has not contributed to the associated Loofah Appeal is encouraged to do so.

2 Further progress with the George Brooks Memorial has confirmed that a bench will be installed at Norman Park in the near future.

3 Brenda Brent had written requesting volunteers to assist with serving teas at Norman Park for our home fixtures during the 1997 track and field season. Any volunteers should contact a member of the Committee.

4 An adjusted budget for 1997 was presented to the Committee, showing a small surplus of about £550.

The Chairman of the Finance Group, P/P Derek Gregory, announced his intention to resign at the next AGM. A debt of thanks for his four years in office was recorded. It was stressed that although everyone did not always agree with his caution, the prudent principles that he adopted through some difficult financial times should not be forgotten, and should act as a guide in the future.

Again, if anyone would like to volunteer for this post, please make yourself known. Derek and the Treasurer, Peter Long, will copily explain the job description to you.

Plans revealed at a recent Bromley Leisure Services forum, covering the future of the Crystal Palace Sports Centre when the lease expires in about two years time, did not include a track and field facility. Concern was expressed that the loss of it in this area would be a calamity for grass root young athletes.

John Baldwin, Chairman

(Editor's note: *The Bromley Times* of 19<sup>th</sup> Dec reports that the result of a study into the future of the National Sports Centre is expected next Spring.)
