Southern Cross Country Championships.

Prior to the 2022 Southern Cross Country Championships, Blackheath & Bromley had only won one set of team gold medals (the Under 15 Girls in 2014) since the two clubs merged in 2003. Only one other set of golds had been won this Century (Blackheath's senior men in 2000). Then in one day we win two more. Congratulations to our Under 15 Girls and Under 13 Boys.

It is no easy feat winning team golds. Blackheath Harriers first contested these Championships in 1884 and finished in third place. The race was for many years the most important cross country race of the year as the Club did not always contest the National because of the distance to some venues. It was only in the mid 1920s that the Club began to race the National each year.

Despite the importance placed on the Southern, it would be over a hundred years before the Club enjoyed its first set of gold medals in 1986, but the great support of the Club for these Championships for decades was undoubtedly an underlying factor in that success. The Club's best placing prior to this was second in 1948, when Sydney Wooderson won the race, and two of the members of the team, Jack Braughton and Alan Brent were at the Southern Supper to toast the team of 1986. Absent, however, was George Brooks who missed his first Southern in 40 years because of the snowy weather.

Conversely, the Club won the very first Under 13 Boys race in 1996 and they were presented with the George Brooks Memorial Trophy, named after the father of our Vice President Gordon Brooks and grandfather of Past President Nick Brooks. (George was the Club's first finisher at the Southern 1936)

Andy Frankish is another who shown his longevity at these Championships. As well as finishing 113th in the Senior Mens race in 1976, he coached Karyn O'Mahoney of the Bromley Ladies winning under 13s team in 1986 and also Megan Slattery from our 2022 winning Under 15 girls team. He also coached Tanya Blake when Bromley Ladies won the Senior Womens title in 1993, and some of the boys in the winning teams of the 1990s.

Our Southern team victories are detailed below, and as every year goes by the achievements of our Senior Mens squad of the 1990s looks better and better. After pipping Shaftesbury Barnet by a single point in 1993 they won the title for seven of the next eight years including the simply sensational 6 in 16 in 1995. No athlete was in each of the seven winning teams, but, Dave Taylor has six team golds with Darrell Smith (now a Kent selector) and Spencer Newport on five. Spencer was seventh man home in 1994 in 69th but was then first man home in the National in 8th place to lead the Club to its first ever National title. Dave and Spencer have both finished 1st, 2nd and 3rd in these Championships. Heady times.

But back to this year. Well done again to the Under 15 Girls and Under 13 Boys teams. Each athlete is an inspiration in all sorts of ways. Most importantly to their team mates. Way back in 1997 in the under 17 mens race, Peter Tucker was our ninth finisher but he would go on to run 2.23 for the marathon and gain an International vest.

Mick Hamlin, coach to a number of our athletes in the 80s and 90s, would always say that, when someone started training seriously, they wouldn't necessarily get to where they wanted to go but they would get **somewhere**. So someone like Montell Douglas might start her Athletics career as a high jumper but become a National record holder for the 100 metres and go to a Summer and Winter Olympics; and Shaunagh Brown might win an Under 13 County shot put title but throw the Hammer at the Commonwealth Games and become an International rugby player.

There is a heavy defeat in the home Mob Match against Orion , who place 12 in the first 16 home. "There was a large gathering for "grub" in the Clubroom and a festive evening ensued... Special thanks are due to our new member J. P Amis, who was at the piano throughout the evening, and whose efficient and cheerful contributions in this respect made everything go with a real swing"
